## ***Equipment List & Being Prepared***

---

Being prepared to learn allows students to start work promptly in all classes. Some subjects will require other equipment and details will follow in the first week of the new term from subject teachers once lockers have been assigned. Teachers will inform the students when it becomes necessary for other equipment, for example Home Economics - suitable container will be required to carry food home.

**Students and parents should look at their timetable the night before they come to school and put the books they require for the next day into their school bag.** It is essential that every pupil has a small suitable English Dictionary, which he/she can use. This should also be brought to school daily.

You will always need:

- Your School Journal must be with you at all times.
- A fully stocked pencil case with pens, pencils, eraser, ruler, colouring pencils.
- A reading book of your choice. You will be asked to use this occasionally.
- Your school bag.
- Homework copies and hardback notes copies.
- Your canteen card. This allows for cashless payments.

### **Be prepared for health, hygiene and safety**

Everybody in school must observe excellent hygiene practice at all times. This means;

- **Chewing Gum is absolutely prohibited.**
- Hands must be washed regularly and thoroughly.
- Cough only into your elbow or a tissue (dispose of immediately.)
- Personal hygiene, washing, cleanliness and presentation should be excellent.
- Clothes, shoes, hair and must be neat and tidy at all times.
