PE Gear – 2nd – 5th year 2018/2019

Dear Parents/Guardians,

Please find an update in relation to PE gear. Our PE uniform for students of 2nd – 5th year remains unchanged from previous years as hoodie/top with school crest, white polo shirt and black/navy tracksuit bottoms. The tops with the school crest and polo shirts are available from McEvoy's.

We have also entered into an arrangement with CX Sport for the supply of PE for our first year students. Students from other years are free to order this new gear if they wish but it is not mandatory that they do so.

I enclose the packs that the company will supply to the school. Each pack includes a discount and all items in your order will have your son/daughter's initials added free of charge.

Students order the gear from CX Sport directly. You can go directly to the CX Sport store at Horseware Ireland, Finnabair Industrial Estate and have a fitting of the gear to ensure you are ordering the correct size. You place your order with them directly and the company will inform the school of the delivery date when the gear will be supplied.
