

**Parents and Guardians
Partners for Success
Week Beginning 19th September 2022**

Dear All

We hope to have a weekly bulletin issued via our website each week. We will inform you of our achievements plans for the week ahead.

Every Day Counts

Monday 19th September is the start of our Attendance Awareness Week. We will be informing all students of the importance of full attendance and excellent punctuality. As guardians, we ask that you also ensure that students arrive to school in good time and that they always attend, except for exceptional circumstances. All absences must be recorded in the inside cover of the Student Journal.

6th Year Parents & Guardians Seminar Tuesday 20th 6.30pm

Ms Nic Eochaidh is the Head of 6th Year. She invites all 6th Year guardians to a seminar on getting a good study pattern established in the home to support academic success. Tea and coffee will be served. The seminar will last 1 hour.

Parents Association Meeting

Our next Parents association meeting will take place on 11th October at 8pm. Please ensure that your family has a copy of our Partners for Success booklet.

Student Direct Costs

Our school operates a Student Direct Costs system. This means that all book rental, insurance, journal, copying, materials are costed and an annual payment of €240 is required. This system ensures affordability and efficiency. We ask that all outstanding accounts are settled as soon as possible as the books and materials must be paid for.

School Clubs & Societies

Students have signed up for their extra-curricular activities. The Clubs & Societies notice board will detail when training and events will take place.

Canteen

Students are availing of a free snack at break and sandwich at lunch times. We commend them for their courtesy to staff and careful queueing. It is important that students bring a water bottle to school that they can refill at breaks – this will reduce plastic waste and help us protect our environment.

3rd Year Urban Orchard

Congratulations to our 3rd Year students who have planted an Urban Orchard in school. This orchard of apple, plum, pear and cherry trees will highlight awareness of food security and how easy it is to supply local produce.

Home School Community Liaison

Mr Cumiskey is our HSCL officer. His role is to engage with families where a student's attendance is of concern. He will be meeting parents at our seminars. Last week Gard Dara Prior gave an informative talk to parents on online safety and the dangers of illegal drugs.
