Introduction

Coláiste Chú Chulainn was established in 2014 and is located in the centre of Dundalk. We serve the community of Dundalk and North Louth.

Our school was approved by DES as a second level school for up to 1,000 students. We offer Junior Cycle, Transition Year, Leaving Certificate, Leaving Certificate Vocational and Leaving Certificate Applied. Students are offered a broad and balanced curriculum from the traditional subjects to new technologies. We strive to provide a Gaeilge Medium education in our Aonad Gaeilge when there is sufficient demand and available resources.

Teaching and learning in Coláiste Chú Chulainn is centred on our guiding vision of success for all. We plan for the success of every student and set targets of attainment that engage everybody to realise and exceed their potential. We communicate with students and families about curricular and extracurricular progress.

Coláiste Chú Chulainn has excellent facilities for sports, sciences, technologies and all subject areas. LMETB is the school patron. Louth & Meath Education and Training Board is committed to excellence and innovation in the education of young people and adults through the provision of dynamic services delivered by professional staff.

We are partners with our community, building alliances with sporting and cultural groups from around the area. Our students and staff are embedded in and ambitious for the development of the region socially, educationally, economically and culturally.
