

Student Leadership Team 2025 – 2026 (Current 4th & 5th Year students)

31st March 2025

Dear Students,

We are living in a new and changing society. We need a new generation of leaders to step up to the plate internationally, nationally, regionally, locally and of course in our school.

We are a new school and are excited about leading change. Who better to lead than our young people and students? For this reason, I am inviting all incoming 5th & 6th Year students to step forward to be leaders and join a dynamic team, committed to excellence and success for all.

We want a team that will share decisions and responsibilities. This will be our Student Leadership Team of Ambassadors.

The roles within the Senior Student Leadership Team may include the following Ambassadors and additional roles as the need arises;

- Health & Safety, Environmental, Anti-bullying, Extra-Curricular, Sports and Fitness
- Cultural Diversity, Academic, Head & Deputy Head Boy, Head Girl & Deputy Head Girl
- Policy Development, Community Engagement

Our application form can be filled in electronically on this or on

It invites you to explain what you are competent in, interested in and wish to achieve.

Please complete the application before **5pm Thursday 3rd April 2025**. You may then be invited for interview with senior school staff before the team is appointed. Your interview will be based off your completed application form.
