Rationale

At Coláiste Chú Chulainn, we take great pride in our school uniform, which serves as a symbol of our shared identity, unity, and commitment to excellence. Our uniform distinguishes our students, reinforcing a sense of belonging and respect for our school community.

We believe that the wearing of the school uniform:

- Promotes equality among students by removing peer pressure related to fashion trends.
- Encourages a sense of discipline, responsibility, and school pride.
- Supports a focused learning environment by reducing distractions.
- Enhances school security by ensuring students are easily identifiable.
- Prepares students for professional and workplace expectations regarding dress codes.

By choosing to enrol in Coláiste Chú Chulainn, students and parents/guardians acknowledge the importance of adhering to the school uniform policy. The full uniform, including appropriate school footwear, must be worn throughout every school day and when travelling to and from school.

We ask for the cooperation of parents and guardians in upholding this policy by ensuring that students wear the correct uniform daily. This partnership between the school, students, and families reinforces our high standards and commitment to fostering a positive school environment.

Uniform Policy Statement

At Coláiste Chú Chulainn, students are expected to take pride in their appearance by wearing the full school uniform each day. The uniform must be worn correctly at all times, including while traveling to and from school. To maintain a high standard, all uniform items should be kept in good condition, and we encourage parents/guardians to ensure that each piece is clearly labelled with the student's name.

1. Students are expected to wear the correct school uniform (as outlined in the uniform list), at all times during the school day, including the journey to school

Report on Review of PE Uniform 2024

Since the Covid 19 pandemic, school has permitted students to wear PE uniform to school on the day they have PE. This reduces contact in dressing rooms and also minimised the need to carry additional bags to school.

It has been noted that the PE uniform policy was being abused. Incorrect bottoms and t-shirts were being worn.

The Student council administered a survey of the student body in February/March to establish students feedback on the matter. The findings were as follows:

1. Problem A: Often students wear the PE uniform on a day they do not have PE. Please tick which solution you support: *

- In the future, no student will be allowed to wear a PE uniform to school.
- All students must follow the current rule of wearing their PE uniform only on PE day

- In the future, no student will be ... 8
- All students must follow the cur... 118

2. Often students wear the wrong tracksuit bottoms - they often wear leggings or the wrong colour bottoms. Please tick which solutions you support: *

- We change the uniform policy from plain navy tracksuit bottoms to a special bottom with the school logo that is more expensive and must be bought from a specific shop
- All students must follow the current rule of wearing plain navy tracksuit bottoms only.

- We change the uniform policy fr... 27
- All students must follow the cur... 99

The student survey affirms the policy as it stands.
