Anti Bullying Workshop

Anti-Bullying Workshop for Parents – Working Together to Create a Safe and Inclusive School Community

At **Coláiste Chú Chulainn**, we recognise the importance of working in partnership with parents and guardians to create a safe, welcoming and inclusive school environment for all students.

In association with the **National Parents Council and our Parents Association**, we hosted an Anti-Bullying Workshop for parents and guardians. The workshop aimed to raise awareness of bullying, including cyberbullying, and provide parents with practical advice and strategies to recognise, prevent and respond to bullying behaviours.

The workshop highlighted the importance of open communication, positive relationships, respect and understanding in promoting student wellbeing. It also reinforced the vital role parents play in supporting young people and encouraging kindness, empathy and acceptance of others.

This initiative reflects our ongoing commitment to our **School of Sanctuary journey**, promoting a culture where diversity is celebrated, differences are respected and every student feels safe, valued and included.

By strengthening the partnership between home and school, we continue to work together to ensure that **Coláiste Chú Chulainn is a place where everyone belongs and bullying and discrimination are not tolerated.**
