

Cultural Diversity Week 26/27

Flavours of the World

Cultural Diversity Week – Flavours of the World 2026 🌍

As part of our annual **Cultural Diversity Week**, Coláiste Chúlainn hosted our **Flavours of the World** event on 21st May in the Triple Room at lunchtime.

This fantastic event celebrated the rich cultural diversity within our school community, with students preparing and selling a wonderful variety of traditional foods from countries around the world. From savoury dishes to sweet treats, students and staff had the opportunity to sample delicious foods, learn about different cultures and celebrate the many backgrounds and traditions represented in our school.

All proceeds from the event were donated to the **Refugee Council of Ireland**, supporting an important cause while promoting kindness, inclusion and a sense of belonging.

A huge thank you to all the students who prepared food, organised stalls and shared their cultural traditions, as well as everyone who supported the event.

Flavours of the World was a wonderful celebration of diversity, bringing our school community together through food, culture and generosity! 🌍❤️
