

Cultural Diversity Week

2026/2027 | Cultural Dress and Doors of the World

As part of our annual Cultural Diversity Week, Coláiste Chú Chulainn celebrated the wonderful range of cultures, nationalities and traditions that make up our school community through two exciting initiatives: **Cultural Dress Day** and **Doors of the World**.

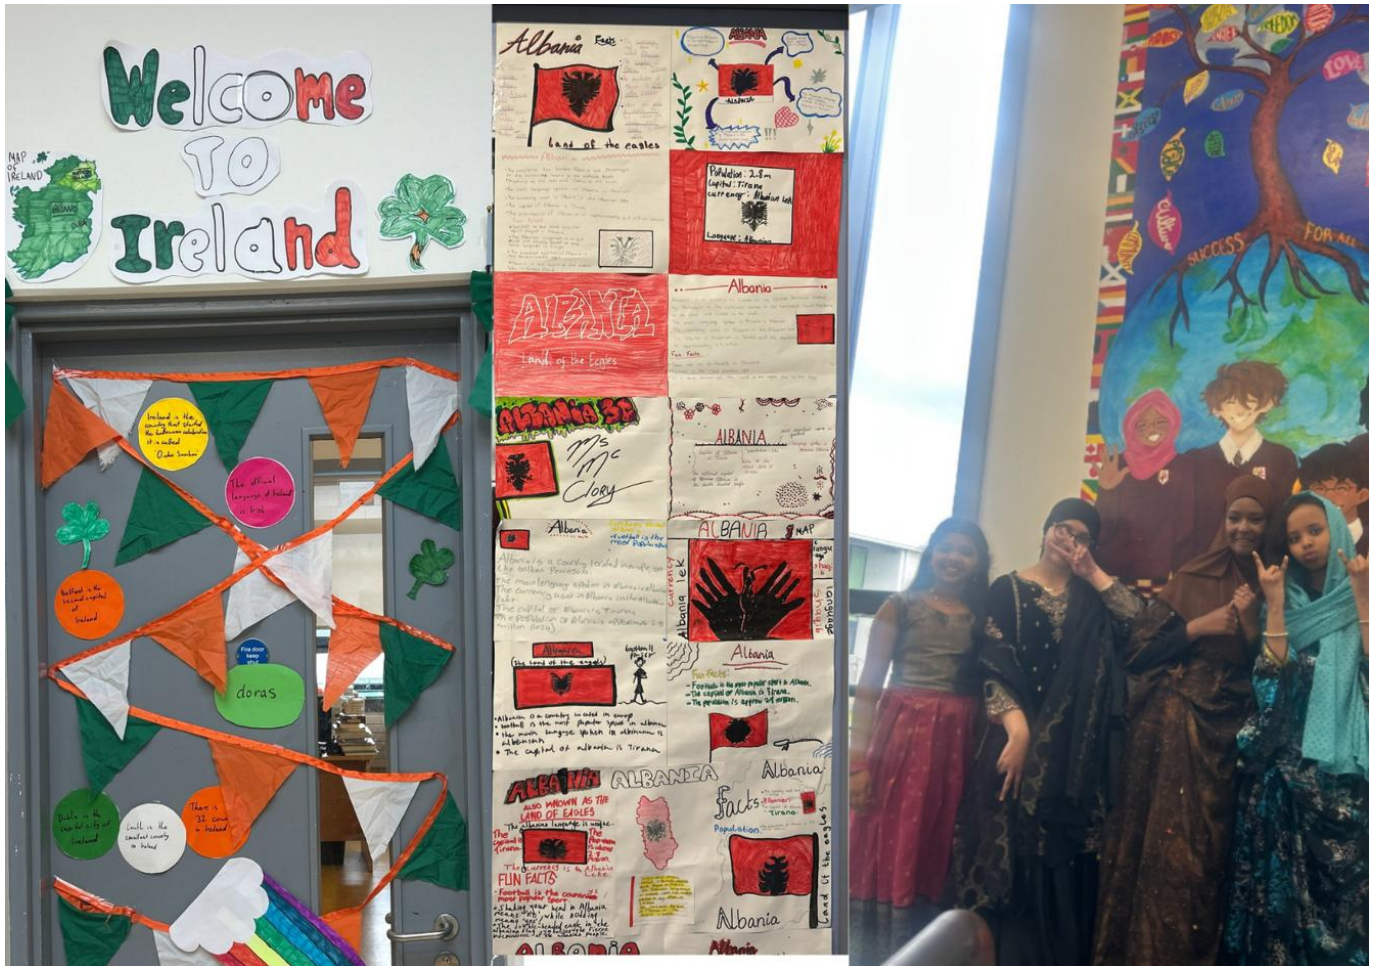

Cultural Dress Day

Cultural Dress Day was a fantastic opportunity for students to proudly showcase their cultural identities and heritage. Students were encouraged to wear traditional clothing, national colours and outfits representing their cultural backgrounds. The school was filled with colour, pride and a wonderful sense of belonging as students came together to celebrate the diversity that makes our school community so special.

Doors of the World

Our Doors of the World initiative brought cultural diversity into classrooms and corridors throughout the school. Students worked creatively to decorate classroom doors, representing different countries, cultures and traditions. From colourful flags and national symbols to interesting facts, artwork and cultural displays, each door offered an opportunity to learn about and appreciate different parts of the world.

Celebrating our school community

Both initiatives encouraged students to share their heritage, learn from one another and celebrate the many cultures represented within Coláiste Chúlainn.

A huge thank you to all the students and staff who participated, embraced the celebrations and helped create such a colourful and inclusive atmosphere.

These events were a wonderful reflection of our school's commitment to inclusion, respect, cultural awareness and our School of Sanctuary ethos, reminding everyone that regardless of where we come from, we all belong.
