

School of Sanctuary Committee Staff

Coláiste Chú Chulainn – School of Sanctuary Journey

As part of our commitment to becoming a **School of Sanctuary**, Coláiste Chú Chulainn established a dedicated **School of Sanctuary Staff Committee** to lead, support and promote the values of inclusion, diversity, equality and belonging throughout our school community.

The committee plays an important role in coordinating our School of Sanctuary journey, planning initiatives and ensuring that the principles of welcome, respect and cultural understanding are embedded across all aspects of school life.

A key responsibility of the committee is to **raise awareness and provide**

Continuing Professional Development (CPD) opportunities for staff. Through presentations at whole-staff meetings, the committee shares information about the School of Sanctuary programme, outlines our progress and provides guidance on creating inclusive classrooms, celebrating cultural diversity and supporting students from different backgrounds.

The staff committee also works closely with our **Student Cultural Ambassadors and Student School of Sanctuary Committee**, providing guidance, encouragement and opportunities for student leadership. This collaboration ensures that student voice remains central to our journey, empowering students to organise events, promote cultural awareness and contribute to making our school a welcoming environment for everyone.

Through the combined efforts of staff and students, we aim to develop a whole-school approach to inclusion, ensuring that our School of Sanctuary values are reflected in our teaching, relationships, policies and everyday school experiences.

Together, our staff and students are working to create a school where everyone feels safe, welcomed, respected and valued, reflecting our ethos of “Success for All.”
